

Almond Butter Maple Protein Syrup

INGREDIENTS

1/2 cup raw almond butter
1/2 cup Vanilla Nuzest protein powder
1/4 cup maple
1 cup water
1/2 t cinnamon

Great syrup to drizzle on top of berries, nuts, or the delicious Matcha Chlorella Waffles recipe.

Instructions

Whisk all until creamy. Drizzle over your waffles! You can heat this up lightly or serve at room temp. The sauce is also great drizzled on hot oatmeal or fresh fruit! Also great on "nice cream" or a yogurt bowl! I like to make extra and have in my fridge to use on the fly.
